## WHY WILL WE

### CONTINUE TO MARCH?

Even with the wonderful blessing of Roe v. Wade being overturned, which allows more freedom at the state level to enact pro-life laws, the necessary work to build a culture of life in the United States of America is not finished. Rather, it is focused differently. Sadly, the number of abortions annually are still well over 900,000 each year, and that number is expected to decrease only by roughly 200,000 each year in a post-Roe America.
