Dear Ms. Seagraves:

Since our founding in 1882, Matson has supported the needs of the communities we serve and in which our employees live and work. As a business practice, Matson provides in-kind support for efforts to improve our community.

On behalf of Matson and our employees, we are pleased to assist Saints Peter and Paul Church by donating the value of shipping one 20-foot container of disaster emergency supplies for the Guam relief efforts caused by Typhoon Mawar.

Enclosed with this correspondence is the customer quote reflecting Saints Peter and Paul Church's avoided cost of roughly \$7,333.90, including ocean freight and fuel surcharges, Hawaii and Guam wharfage and terminal handling charges and associated fees.

If you have not already done so, please contact Matson's Customer Service Department and make a booking for this shipment, providing this letter as evidence of the donation, and ensuring to make your own arrangements for trucking to and from these ports.

At your convenience, please provide a letter via email to giving@matson.com acknowledging acceptance of this service.

Best wishes for your efforts to serve the community.

Sincerely,

Ku'uhaku T. Park, Senior Vice President,
Government & Community Relations and
Chair, Pacific Committee, Matson Giving
